Practice News

Public Health England

Our surgery and fellow PCN colleagues have received funding across the PCN (Primary Care Network) to support practices with various screening services. We have dedicated members of the team reaching out to patients to get them booked in by raising awareness of what is available. Currently this is cervical screening and bowel cancer screening, uptake has been very good so far!

Visit a Wolverhampton Warm Space

The City of Wolverhampton Council has launched a range of warm spaces throughout the city to help its residents beat the chills - because of energy prices and the Cost-of-Living crisis.

You can find out more information via the City of Wolverhampton Council website;

Patient Online Triage

This can be accessed via our Website's Homepage or by the following link; [Contact us about your request \(accurx.com\)](#)

This can be used for;

- Contacting us about a new or ongoing symptom
- Contacting us about a fit (Sick) note
- Asking about recent tests
- Getting a repeat prescription
- Anything else admin related, or,
- Advice and guidance on conditions, symptoms and treatments.

This will save time holding in a queue on the telephone!

NHS App

Download the NHS App, or open the NHS website in a web browser, to set up and log in to your NHS Account. Owned and run by the NHS, your NHS Account is a simple and secure way to access a range of NHS services online.
