Equality & Diversity

As an equal opportunities employer, we are committed to promoting equality and diversity for staff (recruitment, training, supervisions, ongoing support) and the people we support. Information regarding this service can be provided in different languages and in other formats to meet literacy needs.

“Providing the people of Wolverhampton with a safe inclusive space to focus on improving their mental wellbeing.”

What is the Wolverhampton Community and Wellbeing Hub Service?

Funded by Public Health, The Wolverhampton Community and Wellbeing Hub delivers preventative and wellbeing services for anyone over the age of 18 in the Wolverhampton community who wants to improve their emotional and mental wellbeing. Host providers, Creative Support, work in partnership with ACCI, BME Housing Consortium, Rethink and the WVSC to provide support that focusses on enabling people to live a fulfilled life.

The Hub operates from Epic Café, right in the heart of the city centre, with some evenings and weekends, to suit the needs of the community and our members.

What do you offer?

We offer a wide range of generic and specific sessions to help you develop your skills, confidence and wellbeing, build social and support networks and develop personal effectiveness. These include sessions, workshops and one off talks, delivered by our partners and external agencies.

We also offer a short term Recovery Programme, that runs alongside the Sessions and Wellbeing Café at the Hub. The Recovery Programme offers additional short term support, at times when you need more help to stay well and to move forward in your recovery. This support will be led by you and your Key Worker, with help from our Peer Support Mentors.

Who are Creative Support?

Creative Support is a not for profit provider of personalised services—supporting people to enjoy their lives and reach their full potential. Our services focus on promoting recovery, wellbeing and greater independence. We enable people to make progress in these areas by recognising and building on their strengths, coping abilities, social networks and natural support systems.

Hub Facilities

Epic Café is wheelchair accessible and has a range of different facilities including: a café, where members can purchase light meals and drinks and access training opportunities, an IT space and a space for music.

Core Sessions:

- Employability Skills Workshops
